### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: None of the cited prior art discloses a method of manufacturing a fiber bundle having a fiber bundle length equal to a pre-cut length of unbound partial bundles cut from a fiber bundle strand as claimed wherein the fiber bundle being transported by a feed element at a speed greater than a moving speed of the unbound partial bundles by a gripping element to a collection trough as claimed in combination with other limitations set forth in claims 1, 5, and 19-20. Applicant's remarks regarding the rejection under 35 U.S.C. 112, 1<sup>st</sup> paragraph of the previous office action are persuasive. Therefore, the rejection has been withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
